

HEALTH AND SAFETY RULES FOR 2020 FALL BALL

- Reporting of Covid-19:
 - ALL parents must advise/report to their child's coach or a member of the GCYAA board if your child has symptoms, been diagnosed with or come in contact with a known Covid-19 person.
 - Coaches **MUST** report such to a member of the GCYAA board.
 - **NO** player will be permitted to return to any GCYAA function without a doctor's report stating **NEGATIVE** Covid-19.
- Players will be using baseballs that are touched by others and will **NOT** be sanitized. Parents must tell and monitor their children regarding touching their face/mouth before proper hand washing or the usage of hand sanitizer.
- Players **WILL** not touch other players, even if their intentions are honorable.
- **SIX** feet distance between players will be observed when possible.
- Masks may be worn by players, parents, coaches and umpires, but are **NOT** required.
- **ABSOLUTELY** no person shall shame another for wearing or for not wearing a face covering. A violation of this rule is subject to dismissal from the premises and the league.
- Players:
 - NO** sunflower seeds
 - NO** gum
 - NO** food on the bench
 - MUST** bring their own water bottle – never to be shared
- Spectators – Social distance **MUST** be respected.
- After game line-up handshakes are **STRICTLY FORBIDDEN**. Players will line up on their teams base line and tip their hats, out of respect, to the opposing team.
- **ALL** trash must be removed and disposed of from dugouts and spectator areas before leaving. If this becomes a problem then tighter restrictions will be required.
- Two at a time is permissible in the restroom unless accompanied by an adult (3). **PLAYERS** must wash their hands before leaving the restroom.
- **WE DO NOT** need to give others a reason to shut us down, so please respect CDC recommendations.

**SANITATION SUPPLIES WILL BE AVAILABLE IN EVERY DUGOUT,
RESTROOM AND CONCESSION STAND AREA.**
