

2021 Season - Covid Health & Safety Rules

Reporting of Covid-19:

- Parents must advise their child's coach if a child is diagnosed with Covid-19. Coaches **MUST** report such to the GCYAA Commissioner.
- **NO** player will be permitted to return to any GCYAA function until symptoms have cleared. Please follow all current health department guidelines.

Players:

- Players will be using baseballs that are touched by others and will **NOT** be sanitized.
- Distance between players will be observed when possible.
- **NO** sunflower seeds or gum
- **NO** food on the bench
- **MUST** bring their own water bottle – never to be shared
- After game line-up handshakes are **STRICTLY FORBIDDEN**. Players will line up on their teams base line and tip their hats, out of respect, to the opposing team.
- Two at a time is permissible in the restroom unless accompanied by an adult. **PLAYERS** must wash their hands before leaving the restroom.

Parents:

- Parents must tell and monitor their children regarding touching their face/mouth before proper hand washing or the usage of hand sanitizer. Sanitizing supplies will be available in each dugout.
- Distance between spectators must be observed when possible.

All:

- Masks may be worn by players, parents, coaches and umpires, but are **NOT** required. **ABSOLUTELY** no person shall shame another for wearing or for not wearing a face covering. A violation of this rule is subject to dismissal from the premises and the league.
- **ALL** trash must be removed and disposed of from dugouts and spectator areas before leaving. If this becomes a problem then tighter restrictions will be required.
- Please respect all current health and safety recommendations throughout the season. **WE DO NOT** need to give others a reason to shut us down.

LET'S PLAY BALL!
