Colt Express League Rules
(Exceptions to Pony Baseball rules)
(Revised 4/27/2019)

1. A 15-minute grace period is allowed from the scheduled starting time before a forfeit is called. In the event of no official umpire, the game will be suspended and will be made up at a later date. (No substitute umpires unless; they are sanctioned by the league.) The home team will provide the bases, the umpires and two new game balls and the visitors one good used ball for the game.
2. Games may be started and finished with 8 players. 7 players is a forfeit.
3. All players may be freely substituted defensively throughout the game. All players present at game time will bat. Any latecomers must be slotted at the end of the batting order in the order they show up.
4. Pitchers may not exceed 7 innings a day and 12 innings a week. One pitch constitutes an inning. Once a pitcher is removed from the mound, he cannot return to pitch in the same game. The 4 inning/40-hour rule applies. Players may take the catcher position and/or pitcher position up to 7 innings in a doubleheader. This means a player may play pitcher and/or catcher in any combination for up to 7 innings in the two games. Your score book must show the complete name of the pitchers/catchers, the innings pitched/caught and the Manager of the opposing team must sign and date it in ink for every game. The catcher documentation only applies for doubleheaders. The Penalty for not doing this is the pitchers listed will only be allowed to pitch one inning during the next game. **Coaches from opposing team may review your team's current week's worth of pitching at any time during the game.**
5. **MERCY RULE: 15 run lead after 4 complete innings (3 ½ if home team is ahead) or 10 run lead after 5 complete innings (4 ½ if the home team is ahead).**
6. Time limit: There is no time limit in this league except local curfews in each city for a non doubleheader game on a single game field. For doubleheader games and games where there is more than one game on the field in the same day, no inning may start after 2 hours of game time. **Game Ends** after 2 hours 15 minutes even if inning is not completed. For scoring, it would be the score at the last complete inning. The game will be suspended at curfew or where the game ended and finished from that point at a later date.
See rule 13 and 14.
7. All protests must be in accordance with the Protest form. Protest form may be found on the GCYAA.com website.
